The next day I asked Yoojin why she fought with her boyfriend.
Ughh- so you saw...
That's embarrassing-

Alcohol! I NEED ALCOHOL!
...Unnie;;
I'm going to kill him after I eat...

Gayoung, you never seen them fight yet right?
Everyday it's a new war, always fighting over the phone-...
Just break up!

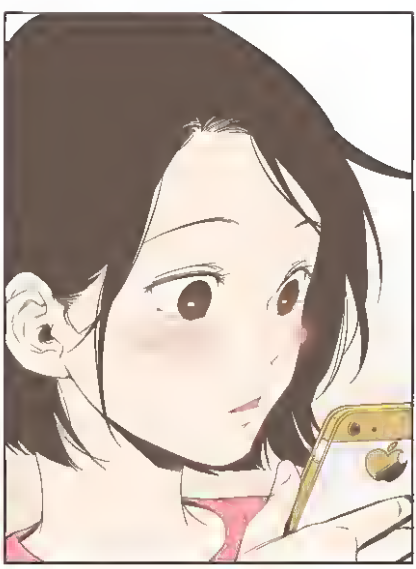
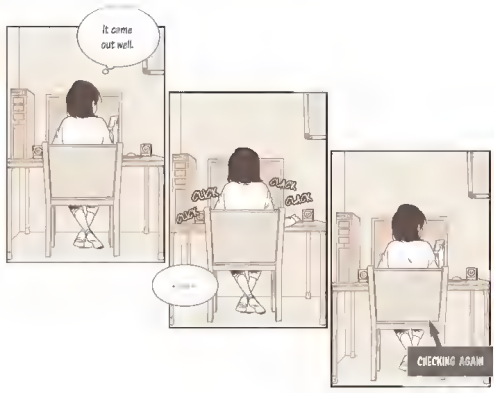
Hen Woojin changed profile picture.

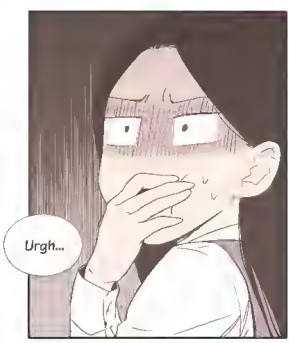




I kept looking at it..

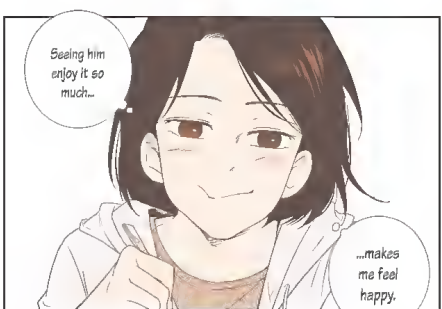
Second. Overly cute aegyo seems a little cute

(Past)

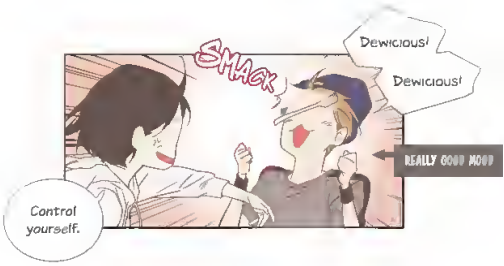


Back then it was just gross.

(Now)



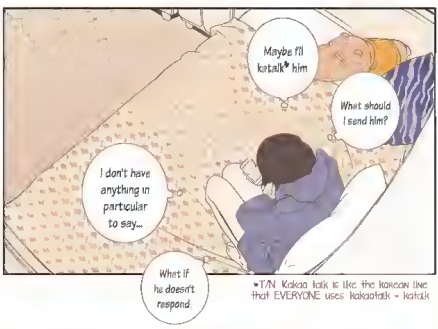
It's kind of cute now.



(Of course. Whenever he goes overboard, it still makes me want to hit him)

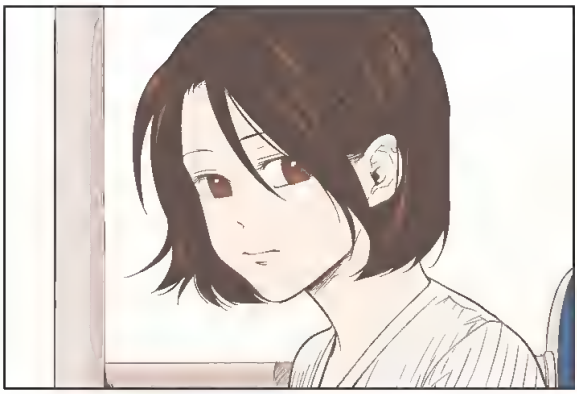
Third: I wait for his messages.

Honestly this is the most confusing part
It's hard to message him first

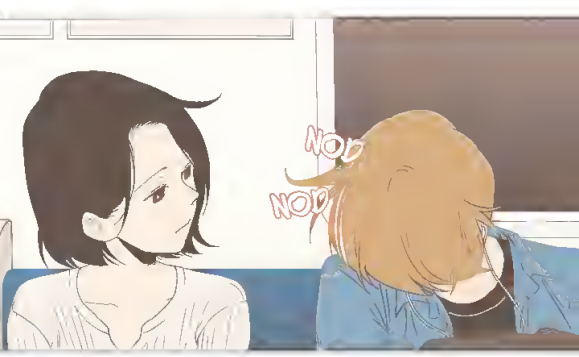


*T/N: Kakao talk is like the korean line that EVERYONE uses. kakaotalk = katalk

Fourth. The biggest change...

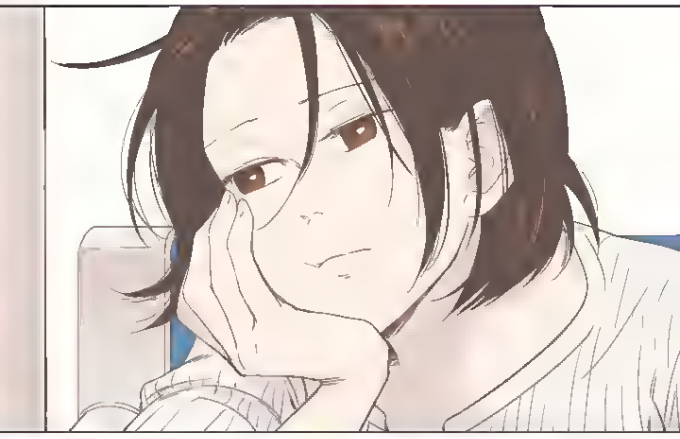


I'm afraid that he won't like me anymore



Whatever I do, I always think
"What would he do".

-I'm lonely.



I don't want to change the situation but...

I feel lonely knowing that his mind
is different from mine.

What should I do?
